

The Library Network (6/2017)

Connection Inc has partnered with The Library Network to offer an online ordering portal for technology products at discounted pricing. To gain access to the specially priced web portal go to www.govconnection.com/thelibrarynetwork and create an account. This purchasing site has been created with an Approval Hierarchy upon checkout. All carts will be submitted to Angie Michelin, TLN Technology Services Manager for final order placement. If you require assistance contact Connection dedication Account Manager [Alma Hinojosa](#)

Go to: www.govconnection.com/thelibrarynetwork

Click On: “First Time User?” to create an account

Once logged in you will have access to technology products at discounted pricing. Some product favorites are listed in the featured products section.
