Position Summary
Under the direction of the Deputy Director, the Production Librarian works with IT functional teams and staff throughout the organization to produce and develop content, events, partnerships and projects that add value to the community we serve. The Production Librarian also delivers customer service to library users via weekly shifts on public service desks throughout the library system. This position will focus on the development and maintenance of AADL’s industry-leading circulating tools collection.

Position includes some evening and weekend hours.

Essential Duties and Responsibilities include the following; other duties may be assigned:

- Develops, plans and implements innovative programs and special projects for audiences of all ages and interests.
- Provides a wide range of reference and recommendation services via telephone, in person and online utilizing print, A/V and electronic resources.
- Develops and expands online content and products for library users of all ages, including creation of new writing, images, audio, video, and web applications.
- Selects and maintains collections, focusing on but not limited to circulating tools and equipment, working with other staff to ensure a broad, well-used library collection.
- Works with individuals and organizations in the community to develop partnerships with an emphasis on community events and experiences.
- Serves on departmental and system-wide teams and delivers related action items on schedule.
- Works courteously and effectively with library patrons, library staff and the general public.

Minimum Qualifications include:

- Master’s Degree in Information or Library Science from an ALA-accredited program.
- Eligibility for Michigan Librarian Professional Certificate.
- Excellent customer service attitude.
- Proven experience developing and producing art, craft, or tech events for the public.
- Experience with circulating realia or tools, and familiarity with library processing workflows.
- Experience selecting and evaluating materials for tools collections in a library context.
- Excellent communication and interpersonal skills.
- Strong organization and planning skills.
Ann Arbor District Library
Employment Opportunity

- Ability to work successfully within a complex organizational structure.
- Open approach to library service.

Preferred Qualifications include:
- Fluency in one or more non-English languages.
- Experience with art or craft techniques, or connections in the local art & craft communities.
- Deep subject knowledge with synthesizers, microcontrollers, sewing, knitting / crochet, or other creative tools or equipment.
- Experience with writing and editing.
- Demonstrated ability in working successfully with diverse audiences.
- Knowledge of current trends in public libraries.
- Creative problem solving.
- Successful and relevant public library experience.

The above is intended to describe the major responsibilities and requirements for this position.
It is not to be construed as an exhaustive statement of all duties, responsibilities or requirements.

To apply, please submit a completed employment application form with optional cover letter and resume to:
